

Rosa and Carlos get Married

OUR STORY: ANA is hosting a bridal shower for her daughter ROSA. A nurse and promotora in their community, Ana has taken *A Story of Health* CE course and is excited to share important ENVIRONMENTAL HEALTH information with her daughter and their friend AMY...

HOLA AMY!
You look GREAT! You're DUE in a couple of MONTHS now, RIGHT?

And you are taking FOLATE pills right? And the multivitamins?

Hola!

MAMI!

...So has Rosa been complaining about my ANTI-TOXICANT campaign?

TOXI... WHAT?!

OH! I hear you with your FRIENDS on the PHONE...

"MAMI says: No PAINT FUMES in the HOUSE!"

"Use GREEN CLEANING PRODUCTS!"

"NO SMOKING!"

And don't forget AMY, no painting the NURSERY while you're PREGNANT! Or anything else in your house!

My college friend also told me that CHEMICAL FUMES cause a lot of HEALTH PROBLEMS, maybe even be a risk for LEUKEMIA!

gasp LEUKEMIA!?

So what are "Green Cleaning Products"?

How can you TELL?

...to be continued!

...And dancing is good exercise and good for health, too!
